

# WYNNSTAY

Wynnstay Group is a major agri-supply business with a Group turnover in excess of £215 million, employing some 740 people across three business divisions. The Astley site is a busy multi-use site including a dedicated central warehouse function servicing seed and chemical distribution businesses and 43 retail stores.

## **Warehouse Operative** **Based at Astley, Shrewsbury**

We are now looking to appoint a motivated and hardworking person who can fit in well with our existing team, help deal with incoming and outgoing goods, accurately pick orders for despatch, and assist with stock control. To be successful, you must have some warehousing experience, be an efficient, accurate worker, flexible in taking on a wide range of tasks and be able to cope with a physically demanding role including a substantial amount of manual handling.

Preferably, you will have either an agricultural background or some warehouse experience, though we are willing to speak to candidates with a range of backgrounds and experiences. To be successful, you will need to be flexible in your attitude to working hours as there is a seasonal element to the business requiring longer working hours at particular times in the year.

**The rewards? Wynnstay Group offer a competitive package to include competitive basic salary, company profit related pay, a child care voucher scheme, shares incentives and a comprehensive pension & life assurance scheme (after qualifying period).**

To apply, please submit a CV together with a covering letter outlining your suitability for the role, and stating current salary details, to Jenna Tarry at Head Office, Wynnstay Group plc, Eagle House, Llansantffraid, Powys, SY22 6AQ or email [jenna.tarry@wynnstay.co.uk](mailto:jenna.tarry@wynnstay.co.uk).

*Closing date for receipt of applications: Tuesday, 20th July 2010*
